

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

I am a 16-year old TracFone user from Texas. I like having a cell phone for emergencies, as we live in a rural area. I don't use my cell-phone very much for other purposes. Please don't tax America's low-volume telephone users!

Sincerely,

Matt Dickenson
